As ordered by the Hon'ble High Court in Con.Case (C) No.687/2017 (S) of WP© No.5016/2017, the petitioner Sri.Bijo Jose was given a chance for hearing during the field visit conducted by the sub-committee on 9.7.17. But he did not turn up. Again he was given a chance for hearing by SEAC in its 76th meeting on 25.07.2017 .But again he did not turn up for the hearing.

The petitioner has raised a number of general complaints like noise pollution, contamination of water sources, damage to the local ecology etc. But the Sub Committee members could not notice any unusual damages in the locality due to the quarrying operations in the past. The petitioner was also not forth coming to assist the members to locate the damages if any.The petitioner himself is admitting that his residential building is situated more than 200 m away from the blasting area, which is much more than the specified safe distance in the KMMR Rules,2015.The Sub Committee members informed the Committee that there are nothing to point out any visible adverse impacts in the area other than what is normal to a quarrying operation. So, the Committee after deliberations **Recommend to issue EC** subject to the general conditions in addition to the following specific condition for mining.

1. *The approach road needs to be maintained properly*
2. *The topsoil and overburden should be stalked properly at designated place. Since lot of top soil is available protective measures should be adopted to prevent soil erosion.*
3. *The drainage water should be collected in a pond and should be discharged only after clarification. A small stream is flowing inside the quarry area which should be maintained properly by providing embankment protection*
4. *If any rare, endemic and threatened plant species are noticed, they shall be properly protected insitu or transplanted to a suitable site inside the lease area.*

The proponent agreed to set apart Rs 15 lakhs (non-recurring) and 10 lakhs (recurring) per year for activities for the welfare of the local community. The proponent also agreed to spend this amount in consultation with the local panchayath
